### FROM THE PRINCIPAL

This week marks the end of week 8 leaving only three weeks to complete all student assessment and distribute report cards. To ensure all families find reports a useful and essential part of monitoring and supporting student learning please understand the following:

- Reports are based on a portfolio of work demonstrating learning outcomes aligned to the Australian Curriculum
- Achieving a C standard means that your child is having success with their learning and is able to demonstrate the key competencies prescribed in the curriculum
- Reports are written to provide a brief overview of the content taught, an explanation of how your child is progressing with this content and future areas to target

Interviews can be arranged by contacting your child's teacher and organising a time mutually suitable to discuss student learning. Thank you for your support in this process as we endeavour to make report cards a valuable and informative aspect of a child's education.

Principal

### P&C News

Thanks to a generous donation from the school's P&C we have been able to keep costs for the year's 3-6 camp to a minimum. Permission forms and exact costs will be distributed in the coming weeks.

### Athletics Day

Congratulations to all the students who participated in the Small Schools Athletics Day last Friday. It was great to see so many parents out at Gunalda cheering on our kids. Even more importantly, it filled me with great pride listening to the positive comments from all our kids and the excellent sportsmanship shown. Well done to Tyler for winning Age Champion!

### Term 2 Events

- Swimming every Thursday
- Principal Business Forum June 22
- Report Cards issued week 11
- June 29-Kops in Kilts Theebine

# WTGG Sports Day

A great day was had by all the students who attended. They all tried their best and never gave up and they went home with masses of ribbons. You are all champions

A big **THANK YOU** to all the parents who attended.

Congratulations to  
Tyler Atkinson – Age Champion
