FROM THE PRINCIPAL

General News

This Friday is the National Day of Action Against Bullying. This is a particularly important day for our school as it shows our unwavering commitment to promoting positive behaviours in our school and collectively taking a stand against bullying. The students have been learning about what bullying is and is not and how together we can stop it occurring in our schools. We will celebrate this day by having **Free Dress** and doing some role plays and activities with students.

Curriculum News

This week students have been completing assessments for most of their subjects, and these will help inform reports and planning for next term to ensure all Woolooga State School students are succeeding.

P&C News

Earlier in the term we elected our new P&C Executive committee. I would like to take this opportunity to acknowledge and sincerely thank Melinda Murnane and Marie Jenkins for their tireless work and efforts towards supporting our school and making it a great place for our students to attend. Thank you again for your contributions to the school's P&C over the years – your role as volunteers and giving up personal time for our school is greatly appreciated.

Week 7 & 8

Last Wednesday Ty and Riley attended the Leadership day at Cooloola Christian College. The boys had a wonderful time learning about what it means to be a leader through a range of engaging activities including Rock Climbing and team games. They were also privy to hearing John Zecendorf talk about his experiences in being the first Tasmanian to climb Mt Everest- truly inspirational.

Quote of the Week:

"Be who you are and say what you mean, for those that mind don't matter, and those that matter don't mind" Dr Seuss

Regards
Mark
