Principal's foreword

Introduction

Principal's Welcome

It is a pleasure to welcome you to Woolooga State School. This report is designed to provide an up to date snapshot of our vibrant learning community. If you have any further questions, please do not hesitate to contact me.

Woolooga State School celebrates the integral role Parents, Staff and the wider community all play in promoting a safe, challenging environment that not only achieves academic results but prepares students for their future.

As a school community we take great pride in the achievements of our students. Our latest academic results are available in this report. It is important to recognise that they are achieved through a school community working together. The school motto *Striving to Improve* is reflected in our practices. Our focus, to accept the challenge of catering for each child, drives our thinking and makes our commitment to providing a range of programs in the academic, sporting, music and social development fields. Our school programs are consistently reviewed to reflect children's changing needs and to recognise developments in education. This makes us a progressive, busy and vibrant school.

As a school community, we recognise and value greatly students' self-awareness and self-esteem. At Woolooga State School our Responsible Behaviour Plan stems from a backbone of strong values which are reflected in our many school events and most importantly in our day to day interaction with each other. We are proud of the programs and the staff that work at Woolooga. Our staff is dedicated and show the ability to provide and promote an excellent learning environment.

Parents are a feature of Woolooga State School. Our parent body is active in all aspects of school life. Parents are welcome to be involved in classrooms, school and P&C committees. This commitment and partnership between parents and school demonstrates to the students the importance of learning.

To our current parents who have placed their child into our care and to parents of our future students, I thank you for your trust. Working with you to educate your children is an honour and is indeed not taken lightly.

Stacey-Anne Bray

Queensland State School Reporting

2012 School Annual Report

School progress towards its goals in 2012

During the 2012 school year staff, students and parents continued development toward achieving our schools goals as detailed below:

Improve Literacy and Numeracy Competencies amongst staff and students.
Review and refine spelling program to ensure continuity throughout the school.
Provide a range of new reading texts to enhance and develop comprehension skills.

Review and refine whole school Numeracy plan to incorporate diagnostic testing
Curriculum, Teaching & learning
Develop and utilise whole school curriculum assessment programs.
Develop unit plans for all KLA's in a 2 year turn around cycle.
Remain up to date with the National Curriculum and participating in a trial implementation.
Introduce awareness of Indigenous culture through recognition of traditional owners
Embed Indigenous perspectives across curriculum to enhance awareness of Indigenous culture
Set aspirational targets for all students as part of their individual goal program.
Formulate Earth Smart Science initiative to promote environmentally conscious school community.

Facilitate and action students, staff and parents to promote a sense of belonging and pride within the school and wider community.

Future outlook

Literacy & Numeracy

- Focus on lower school literacy including combination of phonetics/phonogram study, writing approach to reading and sensory motor approach to literacy.
- Whole school writing program based on 7 Steps to Writing program.
- Whole school comprehension program linked to NAPLAN expectations.
- Spelling program based on Spalding Writing Road to Reading approach. (Linking with C2C expectations)
- Define literacy and numeracy targets and communicate these to staff, students and parents.
- Set aspirational targets for all students as part of their Individual Goal Program which is negotiated between student, parents and teacher.

Staff

- Provide Professional Development to build staff skills in analysing, interpreting and recording data and skills in delivering C2C components and understandings.
- Increase staff knowledge of ICT's and computer uses.
- Continued development of all staff through implementing the Developing Performance Framework
- Developing Performance Agreements developed and enacted for all teaching staff
- Skills audit conducted to find gaps in individual and group skill sets to form basis for targeted Professional Development

School

- Implement and maintain a proactive behaviour program to encourage positive respective behaviour towards Self, Others, the School and towards learning.
- Keep parents informed about changes to school, curriculum and student needs through newsletters, parade, emails and regular meetings conferences, displays and events.
- Maintain and improve school grounds to be inviting and safe as a learning environment.
- Continue to market and promote school in the local and broader community
- Continual development of strategies to embed Indigenous perspectives and awareness of Indigenous culture across the curriculum especially in relation to the local area.

School Profile

Coeducational or single sex: Coeducational

Year levels offered in 2012: Prep - Year 7

Total student enrolments for this school:

	Total	Girls	Boys	Enrolment Continuity (Feb – Nov)
2010	22	14	8	88%
2011	20	14	6	90%
2012	17	12	5	94%

Student counts are based on the Census (August) enrolment collection.

Characteristics of the student body:

Woolooga State School is a small, rural, co-educational primary school located within the Gympie Regional Council, approximately 20 kilometres from Kilkivan and 35 kilometres from Gympie. Woolooga State School provides education for 20 students from Prep to year 7. These children come from the Woolooga community and surrounding districts. The majority of our students live on rural properties in the surrounding area.

Average Class sizes

Phase	Average Class Size		
	2010	2011	2012
Prep – Year 3	12	20	16
Year 4 – Year 10	12		
Year 11 – Year 12			

School Disciplinary Absences

Disciplinary Absences	Count of Incidents		
	2010	2011	2012
Short Suspensions - 1 to 5 days	0	0	0
Long Suspensions - 6 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

Curriculum offerings

Our distinctive curriculum offerings

The school has a broad curriculum that caters for the range of individual needs. We take full advantage of our multi-age classroom to ensure that all students are able to access the school's curriculum in a meaningful manner that will enhance the learning opportunities for them.

All students are involved in our school music and all year 4-7 students are involved in interschool eisteddfod. Leadership is a highly valued skill that is nurtured throughout the school. Our upper school is involved in leadership activities such as community events and the High Ropes Course which is done throughout the year. The student council with the involvement of our school leaders ensures that the students are involved with and instrumental in decision making and implementing projects throughout the school

Extra curricula activities

School Cluster Days: These days bring together small schools from the surrounding districts to participate in specific subject activities including; Science, Leadership, Sporting and fun events, Robotics, the Arts and Technology.

Academic Competitions: Students are given the opportunity to compete in state and national competitions focusing on Literacy, Numeracy, Science and Computer Skills.

Eisteddfod: Competing in the Gympie Eisteddfod is a core part of our music program as it allows students to compete at a competitive level against Gympie schools.

School Excursions: Woolooga State School participates in school excursions that are relevant to the curriculum and enhance learning for all students. The school also invites interesting people and events to the school where possible.

How Information and Communication Technologies are used to assist learning

The use of ICTs is embedded into the daily pedagogical practice of all of our staff.

ICTs are used for whole of class, group and individual activities. Our LOTE lessons have been conducted using Web Conferencing. As a result, our students and staff are using the tools available to us to engage with not only the content of our lessons but also with peers at various schools around Queensland to develop both our understanding and to gain an insight into the points of view of others outside of our local community.

Social climate

During 2011, Woolooga SS adopted our Responsible Behaviour Plan for Students. This has led to the development of a new set of school rules, that staff and students abide by in order to continue to develop and maintain our schools already positive social climate.

Our focus is a positive reinforcement model rather than a punitive model of managing student behaviour. Students are rewarded when they display behaviours that demonstrate our schools three rules (*Be Safe, Be Respectful and Be a Learner*). This has seen a dramatic increase in the instances of positive behaviour noticed by staff.

The School Opinion Survey (201) results indicate that Parents, Students and Staff are Satisfied with the social climate of Woolooga State School as indicated below:

100% of parents are satisfied with the behaviour of students at the school.

Student satisfied with how well you are learning at this school? 100%

100% of students feel they are safe at this school.

100% of students said they are happy to go to this school.

Our school at a glance

Parent, student and staff satisfaction with the school

Our parents as a whole are satisfied with our school. Implementation of a comprehensive and cohesive curriculum has seen an increase in the percentage of parents satisfied with curriculum delivery.

Our student body is generally happy to attend our school and are satisfied that they are getting a good education at Woolooga State School.

Staff morale at our school is similar to like schools. All staff are satisfied that they can access professional development opportunities and this allows our school to foster an environment of mutual respect and professional learning that impacts positively on student learning outcomes.

Performance measure (Nationally agreed items shown*)

Percentage of parents/caregivers who agree that:	2012 [#]
their child is getting a good education at school	100.0%
this is a good school	85.7%
their child likes being at this school*	100.0%

Percentage of school staff who agree:	2012 [#]
that they have good access to quality professional development	100.0%
with the individual staff morale items	93.9%

* Nationally agreed student and parent/caregiver items were incorporated in the School Opinion Survey in 2012.

[#] Percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement. Due to changes to the School Opinion Surveys in 2012, comparisons with results for previous years are not recommended.

DW = Data withheld to ensure confidentiality.

Involving parents in their child's education

At Woolooga State School we believe that it is vitally important that the parents be actively involved, not only in their own child's education, but in the school as a whole. In 2012 some of the strategies we employed included:

Weekly Newsletter

Parent teacher interviews

Parent involvement in goal setting with students and teachers and are kept informed of focus areas of learning for their child.

Parents and Citizens Association

Student centred activities at school e.g. Parade, Speech Nights

Regular Culminating events where students share and display their work for parents and the community

Parent volunteers in the classroom

Reducing the school's environmental footprint

Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns.

Students and staff are increasingly aware of the methods undertaken to reduce our environmental footprint with the installation of solar panels and we rely 100% on tank water. All staff and students are aware of water and waste management especially recycling.

	Environmental footprint indicators	
	Electricity kWh	Water kL
2009-2010	10,981	0
2010-2011	10,820	0
2011-2012	14,925	0

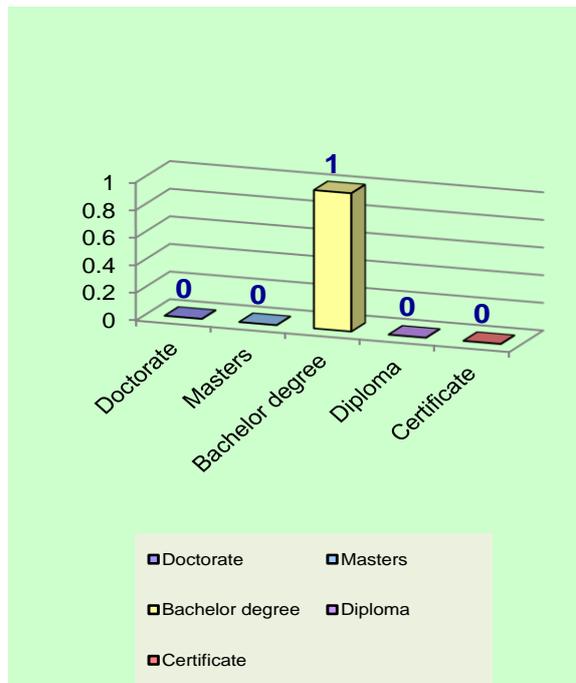

Our staff profile

Staff composition, including Indigenous staff

2012 Workforce Composition	Teaching Staff	Non-teaching Staff	Indigenous Staff
Headcounts	1	5	0
Full-time equivalents	1	1.8	0

Qualifications of all teachers

2010		96%	DW	97%	DW			97%				
2011	95%		97%	97%	98%	DW						
2012	91%	95%		98%	DW	97%	DW					

DW = Data withheld to ensure confidentiality.

Student Attendance Distribution

The proportions of students by attendance range.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

At Woolooga SS it is the principal's responsibility to contact the family after 2 days of non-attendance if the school had not been contacted by the student's family.

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.
